

# Midwest TOPSoccer Event & Resource Fair

**This is an exciting and impactful initiative! June 22nd –24th, 2025**

The Midwest TOPSoccer Event and Resource Fair is the first event of its kind in the nation, providing a unique opportunity to celebrate and advance adaptive soccer. TOPSoccer, an adaptive soccer program for athletes aged 3 and up, is organized through USYS-affiliated organizations and designed to make the game accessible for individuals with intellectual, emotional, and/or physical disabilities.

This landmark event is expected to welcome nearly 100 special needs athletes, their families, coaches, and administrators from across the Midwest. Participants will engage in adaptive soccer games and activities, supported by buddy volunteers to ensure a safe, inclusive, and enjoyable (successful) experience for all.

In addition to fostering meaningful play and community connection, the event also offers valuable educational opportunities. Coaches and administrators will have access to specialized courses, certifications, and resources to enhance their ability to support their athletes and strengthen their programs back home.

The Resource Fair, taking place on Monday, June 23, from 8:30 AM to 3:00 PM, is thoughtfully designed for the disability community. It will feature an array of resources, adaptive materials, and tools that can make a lasting impact on the lives of attendees and their families.

The Midwest TOPSoccer Event and Resource Fair is more than just a soccer event—it's a platform for inclusion, empowerment, and growth within the adaptive soccer community.
